The Reid Technique® of Investigative Interviewing and Advanced Interrogation

About Us...

We have trained more than 500,000 law enforcement professionals in the art of Interviewing and Interrogation. More law enforcement professionals use ***The Reid Technique of Interviewing and Interrogation*** than any other technique or method available today because IT WORKS.

You Will Learn How To:

- Interpret verbal and non-verbal behavior to assess the credibility of a suspect's statements
- Structure the interview to help evaluate the truthfulness of the suspect
- Use behavior provoking questions in the interview process
- Persuade a suspect to tell the truth about their involvement in criminal activity
- Develop interrogation strategies and interrogation themes
- Use an alternative question to elicit the first admission of guilt
- Use tactics to handle the more defiant suspect; overcome objections and their fear of consequences

Training Manual Includes:

A comprehensive 202-page outline filled with detailed information that will serve as an excellent follow up to the training program.

Grad page Reid grads have exclusive access to the Reid Graduate Web Page which provides additional follow up training material, audio examples of interview and interrogations, PowerPoint presentations to reinforce course material, a Q&A forum with answers provided by one of Reid's expert instructors, and much more.
